

Nobody

Can say I  
don't  
know how

To flatter  
a woman

A friend  
asked me  
who is this  
Henry Miller

And I said  
well, he is  
a sort of a male  
Erica Jong

Wow, my friend  
said, man  
oh boy, wow

Though

She had never  
found her cunt  
really

It was for that  
that I was never  
forgiven

That I never  
really found it  
either
